

RPC REQUEST FOR REIMBURSEMENT FOR LEGAL COSTS

Costs for legal services related to the implementation of P.L. 2007, Chapter 240 are reimbursable by the Department of Education up to a maximum of \$2500 per RPC. The RPC must designate a member SAU to submit this form and receive the reimbursement on behalf of the RPC. The check will be issued to the SAU submitting the request for reimbursement, on behalf of the RPC that has incurred the costs as itemized in the invoice.

Requests for reimbursement of legal costs may only be submitted by SAUs that are part of an RPC and have Department-approved Notices of Intent. SAUs that will be filing an Alternative Plan are not eligible for reimbursement of legal fees.

Reimbursement requests must be submitted with itemized invoices by June 1, 2009. The maximum amount available per RPC is \$2500. Reimbursements of up to \$2500 for legal costs will also be available to member SAUs per a separate form.
